A. Job Description

ROLE PURPOSE:

The Family Help Worker/Key Worker will deliver and coordinate personalised, evidence based intensive intervention with parents, children and families, through completion of family help assessments through to supporting on a stronger families plan. They will also deliver services and interventions to children and families across statutory children's services to promote step aside plans, including but not limited to children subject to CP or CIN/family plans, and looked after children with reunification plans. The aim is to support families to achieve sustainable change, promoting capability and capacity within families to problem solve difficulties they are or may experience in the future and enable them to reduce reliance on statutory services.

The Family Help Worker/Key Worker will manage a caseload that will contain:

- Families with complex and multiple difficulties which are preventing parents from adequately caring for their children e.g. lack of knowledge of positive behaviour management, routines and boundaries, mental health, substance misuse, disengagement with education, risk of homelessness etc. Also, families that meet the criteria for tier 2 and tier 3 support in the London continuum of need.

A. Job Description

1. People Management

- No direct supervisory responsibility however may be requirement to assist in induction and training of peers and new employees.

2. Resident & Community Contribution

- To demonstrate understanding of the Council's *Customer Care Standards* and ensure that these standards are met in order to deliver the Council vision of 'putting our residents first'.
- To work in partnership with families to identify and address needs and reduce the risk of poor outcomes for children, young people and their families.
- To work closely and creatively with Social Workers, the local community and partner agencies to deliver an effective service for parents and their families in line with the stated purpose of the key worker role.

3. Operational Service Delivery

- To develop, implement and review evidence-based intervention plans, based on assessed needs, which address areas of concern whilst promoting problems solving skills/strategies within the family.
- To deliver interventions directly to the family unit or individual members, or to broker and coordinate services, as part of the plan, from partner agencies, voluntary or community groups.
- To be persistent in the engagement of families or individuals who may be resistant by using assertive, creative and practical engagement strategies.
- To work intensively with family members in their own homes and community settings. Through modelling and coaching techniques, promote the development of practical skills, such as budgeting and domestic management, and social skills, such as listening and negotiating.
- To provide guidance, advice and training to parents on child care and parenting skills at different stages of child development and support family members in managing difficult and challenging behaviour.
- To work and maintain effective communications with Social Workers and partner agencies and support family members in accessing and engaging with universal and targeted services as required.
- To chair family help meetings, attend and provide reports for case conferences, statutory reviews, court and other meetings as required, assisting families to engage in the processes.
- To maintain timely, concise and proficient electronic case records and written plans that evidence the work undertaken and the progress achieved.

JD – Key Worker

- To ensure that monitoring and statistical information regarding the work is up to date and available.
- To Implement trauma-informed approaches in all interactions and interventions to recognise and address the impact of past trauma on families.
- Focus on early identification of issues and proactive measures to prevent escalation and reduce the need for statutory interventions.
- Safeguarding: Ensure all practices adhere to safeguarding standards to protect the well-being and safety of children and vulnerable adults in all interactions.
- To work within established Council and departmental policies and procedures and relevant legislation relating to children and young people.
- To be proficient in using digital tools and platforms to support remote engagement with families.
- Promote inclusive practices that respect and respond to the diverse cultural, linguistic, and socio-economic backgrounds of families.
- To manage packages of care direct payments for children with disabilities, ensuring they receive the necessary support and services to improve their quality of life.
- To coordinate with families, service providers, and local authorities to create tailored care plans/family plans that meet the specific needs of each child.
- To monitor and review the effectiveness of care packages, making adjustments as needed to ensure optimal outcomes.
- To provide guidance and support to families in managing their direct payments, helping them navigate the system and access available resources.
- To work with colleagues to apply Family Help/Key Working principles and processes.

4. Service Planning & Development

- To contribute to the development and implementation of the Team Plan and understand how the key worker role supports the delivery of the plan.
- To participate in supervision arrangements to ensure that objectives are being met as identified through the appraisal process and personal development plan

5. Financial & Resource Management

- To demonstrate cost-consciousness and identify any cost-effective changes to own way of working.

6. Continuous Improvement

- To identify and suggest any improvements to current ways of working in order to deliver a more efficient and effective service for customers.
- To keep up to date on research, policy and practice developments through

personal study and attendance at seminars or training.

7. Contacts

- Front line professional staff across social care, health, housing and education.
- External agencies and partners including schools, health services, Police, Probation and the voluntary and independent service providers.

8. Additional Responsibilities

- The duties and responsibilities outlined in this job profile are indicative of the role, however they are **not exhaustive and** may be subject to change. In addition, you will be required to undertake other **reasonable duties** as directed by your manager.

9. Key Performance Indicators

- Development of timely outcome focused intervention plans with SMART targets.
- Demonstration of regular reviews with the family.
- Delivery of targets and planned outcomes.
- Quality record keeping.
- Delivery of agreed objectives and KPIs through the Appraisal process.
